

CAST Savannah Area/Path Light (CSA1CB, CSA1LED2) Product Information

CAST Savannah Area/Path Light – Perfect for Pathways, Gardens, and Driveways

Converts with CSWLED2 Module
(sold separately)

Description

This rugged and decorative solid bronze path/area light provides a soft glare free illumination. Since illumination is provided directly from the lamp and reflected from the hat, this fixture provides a brighter illumination than other fixtures. This fixture is available in drop-in LED (CSA1CB) and integrated LED (CSA1LED2). Existing installations of the CSA1CB can be converted to LED by purchasing the CAST LED Path Light Module (CSWLED2).

Features

- Easily converted to integrated LED by adding the CSWLED2 Module
- Solid bronze hat and vase
- Large SOLID BRONZE talon mount stake with three 1/4" x 7" stainless steel spikes
- Heavy-gauge copper stem
- Pre-wired with 35' tin-coated No-Ox® marine grade wire
- High-temp socket
- Spider Splice® ready

Uses

Suitable for lighting walkways, planting beds, and other areas.
